Hello?

Afternoon, sunshine.

Hey Mist. What's up?

Checkin' in on ya.

I'm fine, I just uh...

Had a big one.

Didn't answer any of my calls on Sunday night.

Police said you were okay, but I wanted to be sure.

Sounded like it.

So...

So?

Did you two have fun?

We had... more than that. Yeah.

I tooold youuuu!

He's just your type!

Heh. Maybe moreso now.

You've got to tell me everything, and don't hold back.

Wanna do our usual after-work Tuesday?

Yeah, as long as you're on time.

And I don't have to go into the clinic again.

Right, right, I remember.

No dogs.

No dogs.

And no secrets!

Right.

No secrets.

...So why did you go out the window?

I thought it'd be fun.

And it was.

And... *naked?*

Yeah.

How did you not freeze to death?

I dunno. Good cardio?

You're gonna give me a stroke one of these days...

...if work doesn't.

You're staying at his apartment now, yeah?

But he's looking for a bigger one. It's *tiny* for two.

That's all of town, though. Abe's the only person I know who lives in a building that he actually owns.

...Is Abe mad?

Abe's never mad.

Right...

hnkk

hnnngh

Oh.

Right.

Hello?

Hey there, big guy.

Hi, Abe. Sucks about your door. Wasn't my fault.

Yeah, it totally wasn't.

You and your new girl totally didn't have sex so loud,

you inspired my patrons to partly destroy the establishment.

Nope, we sure didn't.

That's why you haven't come back, because you're totally welcome back,

because I'd totally let you come back.

I'll pop in when I get a chance.

Totally.

Since I've got your ear, know any good tips for renting near Macart?

If I did, why would I tell you?

To make sure no cute girls crash at your place again.

The flaky ones?

The ones with big blue puppy dog eyes.

Those. Yeah.

My credit's great, but I need a place to sign quickly, without lots of questions.

Why the sudden move?

...Eh, lifestyle shift.

I'll give you my contact in LaNowen, if you can stomach the mountain air.

...that's pretty far away.

Yep.

Easy, quick, far away from my bar. Sounds great to me.

Glad we're not fighting.

Duran's a dependable dude. He's not as shy as people say.

I'm sure we'll find something.

VANDYKE'S ANIMAL CLINIC 1-555-6680

Don't get too discouraged. Renting these days is ***super*** hard. I practically live ***here*** now, just to pay for sleep.

You still looking for that promotion?

It's, uh...

It's up in the air.

Hey, hey.

You're ***great*** at your job.

You do ***so much*** good for people and their pets.

Yeah, it's...

I do love the work, but there's so much of it.

Tell you what, once we have a place, you can crash there.

It'll have like... a bed, and a sofa, and tables, and stuff like that.

A bed? that sounds ***riveting*** right about now.

But I'd rather go to the arcade, while I'm conscious.

It's not so bad. I get experience with all kinds of species, but I really want to specialize in exotic cats.

Not a lot of jaguars in this town, huh?

We lost our contract with the zoo, so no, not a lot of chances at those.

Speaking of exotic, did you hear about the werewolf thing?

...

...What?

Yeah, this "real" security footage of a "werewolf." My zoology chat wouldn't shut up about it.

Now and then, someone will come to me, asking if I can help them prove that dolphins are psychic, or Bigfoot really exists.

And they always give me this "evidence," and it's obvious CGI shit they got from some blog. Ridiculous, eh?

Wow.

Ridiculous.

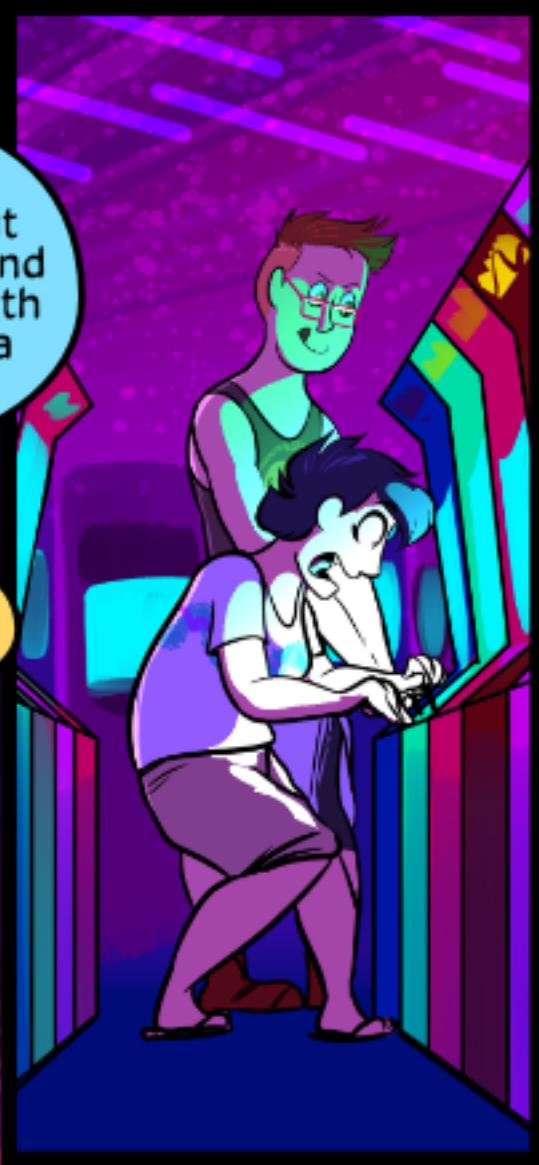
Eh, y'know how this town is.

There's always a new blurry monster, or an alien sighting, or a cult trying to ruin kids' test scores.

That's why I struggled at algebra!

They took the math out of my brain and replaced it with cheese pizza and beer!

Explains a lot.



wanna look at this place after dinner?

MARCONI UNITS
1001-8009

WOOF!

GAAH!

Don't scare me like that!

Awww.

Not used to your new senses yet?

I'm... practicing.

Oh yeah?

Smell that?

That's... pork.

Pulled pork.

Texas style.

It's cooking... somewhere in there.

Sixteen... no seventeen units up the street.

Beer. Cigarettes. Garden party.

I like this place already.

Come in.

Evening, ma'am.

I'm the friend of Mr. Abrams...?

Ah, yes.

He called earlier.

Please, take a seat, both of you.

Applying for Unit 8119, two residents...

And your names...?

Duran.

Blackbird.

Durian...

and...

Blueberry...

Uh, no ma'am, ***Duran*** and ***Blackbird.***

Doorman and Bluebird, how silly of me.

Roll with it.

The credit report and background check went very smoothly.

Your application seems to be in order, Mr. Durian.

Miss Blueberry, I'll need to ask you some basic questions.

Shoot.

Are you employed?

Nope.

Do you smoke?

Nah.

Do you have any outstanding criminal penalties?

None that come to mind.

Do you like dogs?

I... what?

Just a little neighborhood formality.

We're a big dog community around here.

Tenants simply ***must*** love dogs.

I, uh...

...adore...

...dogs.

Can't get enough of them.

Wonderful!

With their loud, obnoxious barking, and their stupid faces, chewing on everything...

Excellent! You'll want to tour the unit, I presume?

...and they won't stop pissing on every last thing you *omfff*

We'd love to.

Here we are.

Take as long as you need, take as many pictures as you'd like.

Nice setup.

Good floor space, even if the outlets are few.

Not the lighting system I would have picked...

It's two floors, but the second is basically an attic.

Countertops are really worn down...

...haven't been changed since it was built.

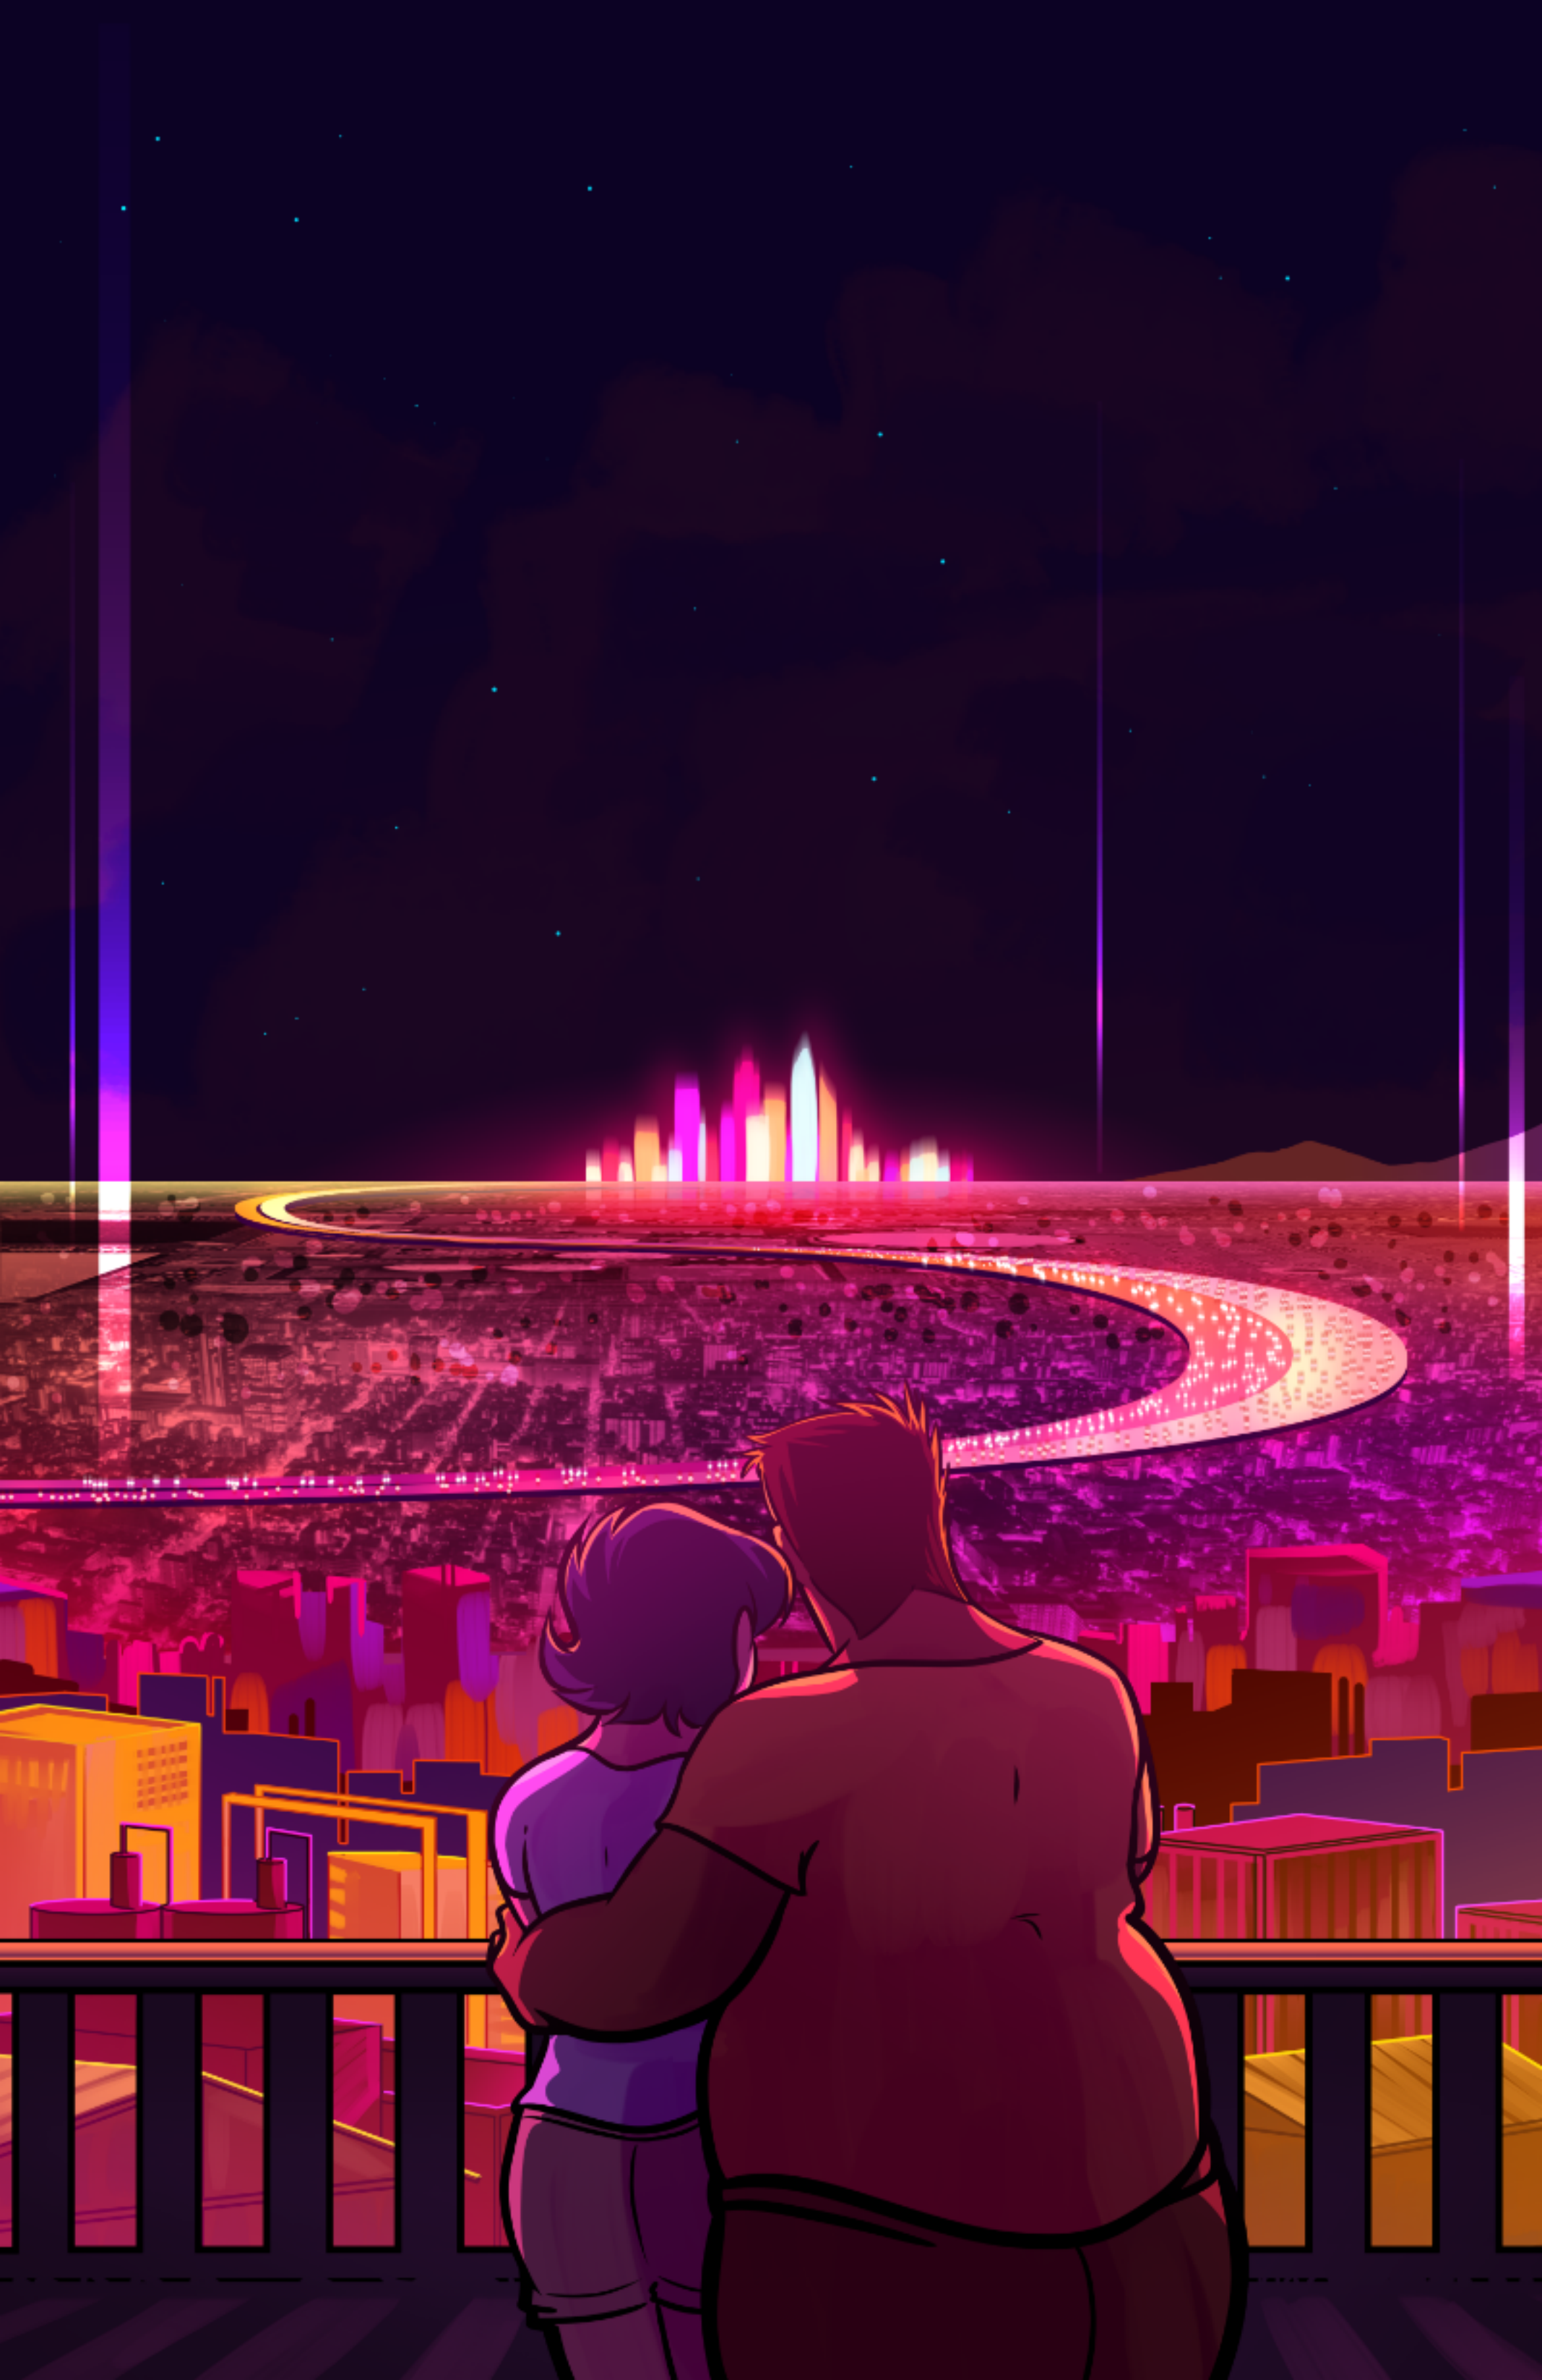
This place is pretty old, not sure how many refits it's had.

I get the sneaking suspicion she applied this shellac herself.

Since it only goes about two feet up.

...Blackbird?

Come look.



That's...

...wow.

It's wonderful.

I can smell...

...everything.

Tall privacy hedge on one side of us...

...empty condo on the other...

I think this'll be exactly what we need.

It's a perfect space.

It's a perfect *wolf's lair.*

...and *they* love dogs, too...

We'll take it, ma'am. No doubt.

Oh, I *knew* it!

And here, meet your new neighbors!

These are Mr. and Mrs. Jacobsen, in Unit 8120 just across the street.

Uh... hello?

Hello.

How are you?

We're both fine, thank you.

It's a pleasure to meet you.

Nice to... meet you too?

So you're moving in, Mr. Durian?

Uh, it's Duran.

And yes, we think we'll be very comfortable here.

What do you do for a living?

I uh, write assembly code at MNC.

Does it pay you well enough?

...Excuse me?

Only asking. It's a concern everyone seems to have.

Renting these days is difficult for all of us.

...I think we'll manage, Mr. Jacobsen.

Alright!

Let's go sign some forms!

Thanks a lot! We'll be in touch!

See you soon!

MARCONI

Wooooooooof.

That was hard to keep up.

You never told me you hated dogs.

I don't hate them, I just...

...it's complicated.

You wanna talk about it?

Nah.

Maybe later.

Well then...

Well?

Feel like getting some night wind in your fur?

Heh.

You *have* been practicing.
